

# **Explanation about entrance into the seminar**

# What is the seminar

---

It is a small class and each seminar has its own screening tests

---

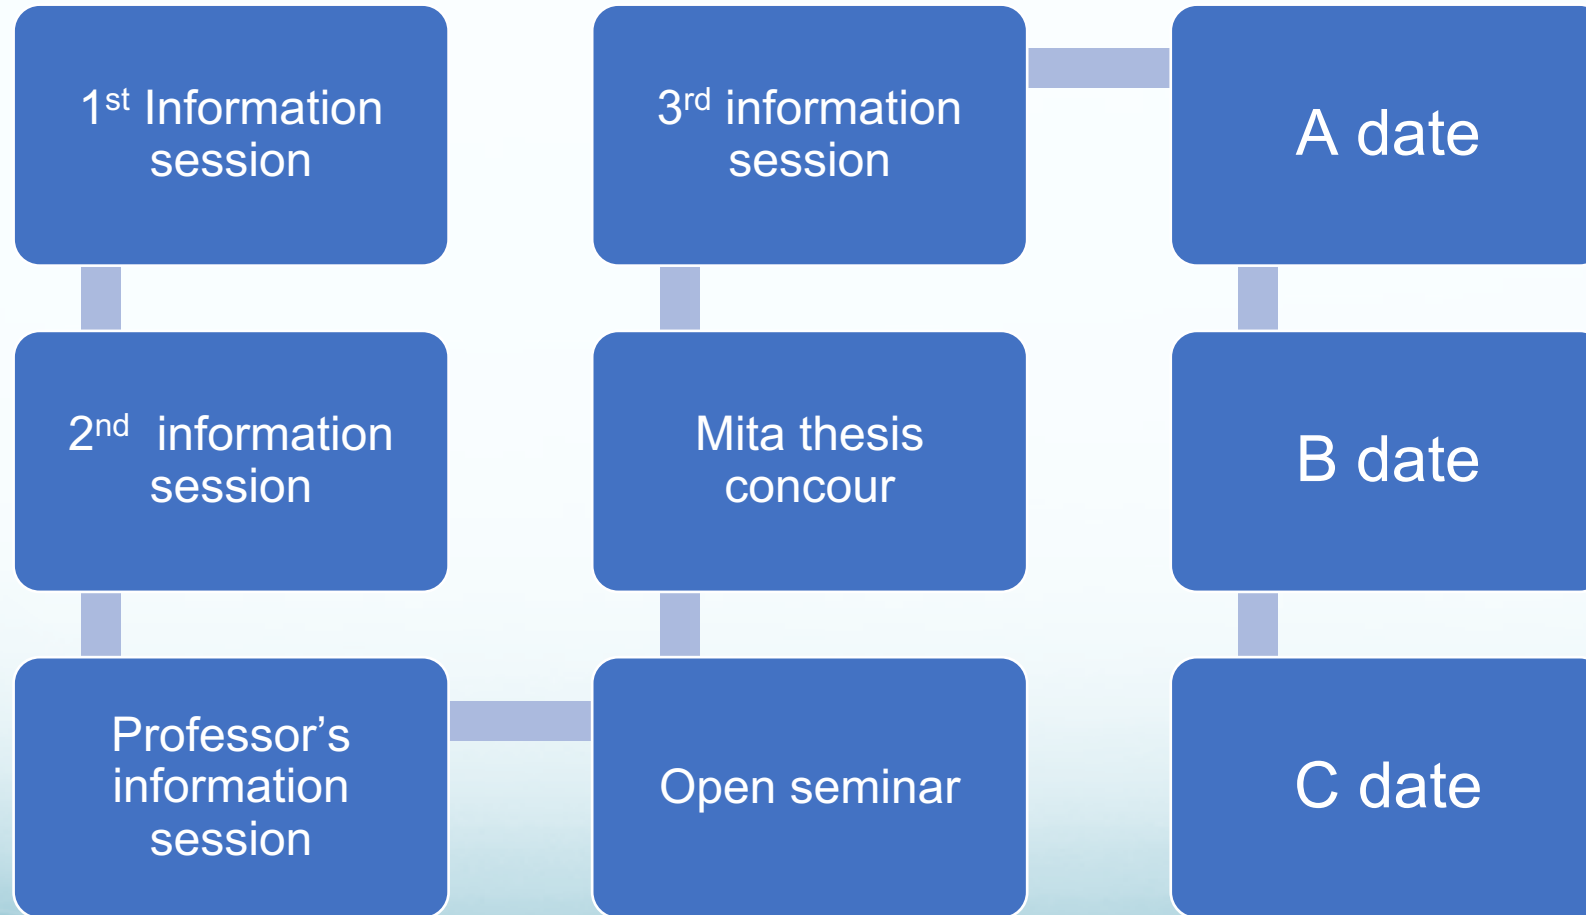

It is specialized in a specific field, and you take the class for two years.

---

Many seminars are on the fourth and fifth period, and these are a few other classes on these periods.

---

# Schedule of Entrance into the Seminar

# Schedule of Entrance into the Seminar

**If you see this page、it means that you login from out of your keio.jp account.**

**Please try it again from your e-mail of keio.jp.**

- Cautions
- You have only one chance for your registration. Even if you make mistake, you cannot redo it again.
- \* We won't accept your registration form after the deadline regardless of any troubles.
  - \* We strongly recommend you to register on the first day in case of any troubles.
  - \* If you can't register until the deadline, you can't take exams.

# Important cautions

- \* Don't tell your password of keio.jp to others, also your faculty, student number, your name, the seminar you were supposed to apply, the seminar you changed after the announcements of applicants ratio
- \* If your form is delayed even one second, we won't accept it.
- \* It is Japan time.
- \* You only have one chance for your registration, please be careful.
- \* You need to be able to come to campus to take exam on A date, B date and C date. Keep on these days open.
- \* We won't accept your delays regardless of any reasons.

# Schedule of Entrance into the Seminar

We provide information about entrance into seminar on HP and Twitter.
